

Request for Reasonable Modification

SF Bay Ferry/Water Emergency Transportation Authority (WETA)

SF Bay Ferry considers all requests for reasonable modifications of its policies, practices or procedures when necessary to avoid discrimination on the basis of disability. SF Bay Ferry is not required to grant requests for reasonable modifications that would:

- 1) Fundamentally alter the nature of SF Bay Ferry services, programs or activities;
- 2) Are not needed for access to SF Bay Ferry services, programs or activities; or
- 3) Present a direct threat of injury to other persons or property.

Due to the fact-specific nature of requests, individual decisions and one-time modifications are not precedential. If a modification is determined later to be unnecessary for the requesting individual to use the requested transit service, a fundamental alteration, or unsafe for other person(s) or property, the SF Bay Ferry may discontinue or change the modification.
