DISEMBARKATION:

- WEEKDAYS: Bikes and scooters disembark first, foot traffic follows
- WEEKENDS: Foot traffic disembarks first, bikes and scooters follow

STOWAGE:

- All bikes and scooters must be stowed in designated stowage areas.
- Bikes and scooters must not be locked to the vessel.
- Park bikes and scooters in an orderly manner to maximize space.
- Electric devices must be powered off in terminals and onboard vessels. Charging is prohibited.
- Assistive devices driven onboard may be parked in designated areas. Passengers may remain on their mobility device during transit.

TERMINAL PARKING:

- Bike and scooter parking at terminals is first-come, first-served.
- Parked bikes and scooters at terminals must be locked on a designated bike stowage rack.
- Park bikes and scooters in an orderly manner to maximize space.
- Bikes and scooters stored inside terminal facilities overnight must be used regularly by the owner.

Passengers must follow all crew instructions
